Subject: Class Fund Assistance for the Class of 2013

Good Afternoon Parents Club Presidents,

I am C3C Nic Tilton, President of the Class of 2013. As many of you remember, T-Shirts were sold during parents weekend to help raise money for our class fund. The Class of 2012 was kind enough to purchase the shirts for us to that we could get a start on raising money as a class. Unfortunately, our class did not raise as much as expected and we have many leftover shirts. I have been tasked with "moving" the shirts and have been able to talk the Class of 2012 into lowering the price to a mere \$6 dollars a shirt. If we can't sell the remainder of the shirts, we will have to reimburse the Class of 2012 for them. I am contacting you, the Presidents of the Parents Clubs, in hope that you can help our class out. If there is any way possible, please forward this email to the parents of 2013ers so they can try to get us back on track. My staff and I have lots of big plans for the Class of 2013, but they can't be put into action until this debt is paid off. Any help we can receive is greatly appreciated. If you or any parents are interested in purchasing a few shirts, please do not hesitate to send me an email at c13nicholas.tilton@usafa.edu. Thank you for your time in this matter and have a great evening.

Very Respectfully,

C3C Nicholas S. Tilton
President, Class of 2013
