**Subject:** Questions from appointees

Many of you are getting questions from the Class of 2015 parents, most of which are addressed in the *Instructions to Appointees* booklet. I checked with Admissions and the booklet is not available on line. If parents are saying they haven't seen it, they should ask their appointee about it or if it's been lost, they can call Admissions 719-333-2520 and they will give them the information.
