Subject: pobs and faux pas

I apologize to everyone. I've gotten a few emails from some disgruntled folks due to my forwarding emails from Lark, who runs the Community web site. I'd like to be clear that neither the Community Web Site nor the Yahoo groups are sanctioned by USAFA. I do not monitor or even log on to any of them. We still have the Famnet and that is the one I monitor. If any of the Yahoo groups had asked me to forward messages I would have done it as well, but I think now is the right time to stop all of it.

So, please forgive my faux pas.
