Subject: PW packets for 4 degs

The PW packets to 4 degree parents were mailed this morning!! Parents who don't receive something by next week should ask their cadets to check in the Camis data base and make sure the address is correct. Every year we get at least 100-200 returned envelopes due to expired or incorrect addresses. The cadets are the only ones who can correct this information.

The upper class parents should have received their letter from the Supt and the PW condensed schedule by now. If not, same rule applies. Have the cadet check the Camis data base to make sure the address is correct.

At this point, even if the cadets correct the data base it is too late for this mailing. Four degs can visit Sue Christensen, in Harmon Hall, and pick up a packet. They should email her first to make sure she's in. Her email is in Outlook.

Also, if cadets did not sign the privacy release, the parents will not receive any mailings from USAFA.

Upper class parents should just access the schedule from the web site: www.usafa.edu and click on Parents' Weekend (right hand side). The upperclass cadets obtain the vehicle passes from their squadrons.
